## **PARKING**

You can park in front of the building. This is Zone 50, the most expensive option. Opposite the road in Schermlaan you can park your car for a cheaper price in Zone 500. Use your parking app or get a ticket in front of the Supernova Hotel (Zone 50) or at the intersection Schermlaan–Claes de Vrieselaan (Zone 500). The cheapest 24 hour parking is at [Nieuwe Binnenweg 388C](#) 3023 ET Rotterdam. That's about a 15 minute walk from the studio. Please take extra time for this!

## **DRESSING ROOMS + LOCKERS + TOILETS/SHOWER**

In the backstage next to the studio there are two curtains that shield part of the backstage. This can be used as a dressing room. We provide lockers that you can use to store your valuable belongings. It is your own responsibility if your personal items are lost. There are general toilets and a general shower on the floor of our studio at the end of the corridor on the left (see the 'Toilet' sign). Please bring your own towels when using the shower.

---

## **LUNCH + DINNER + SNACKS**

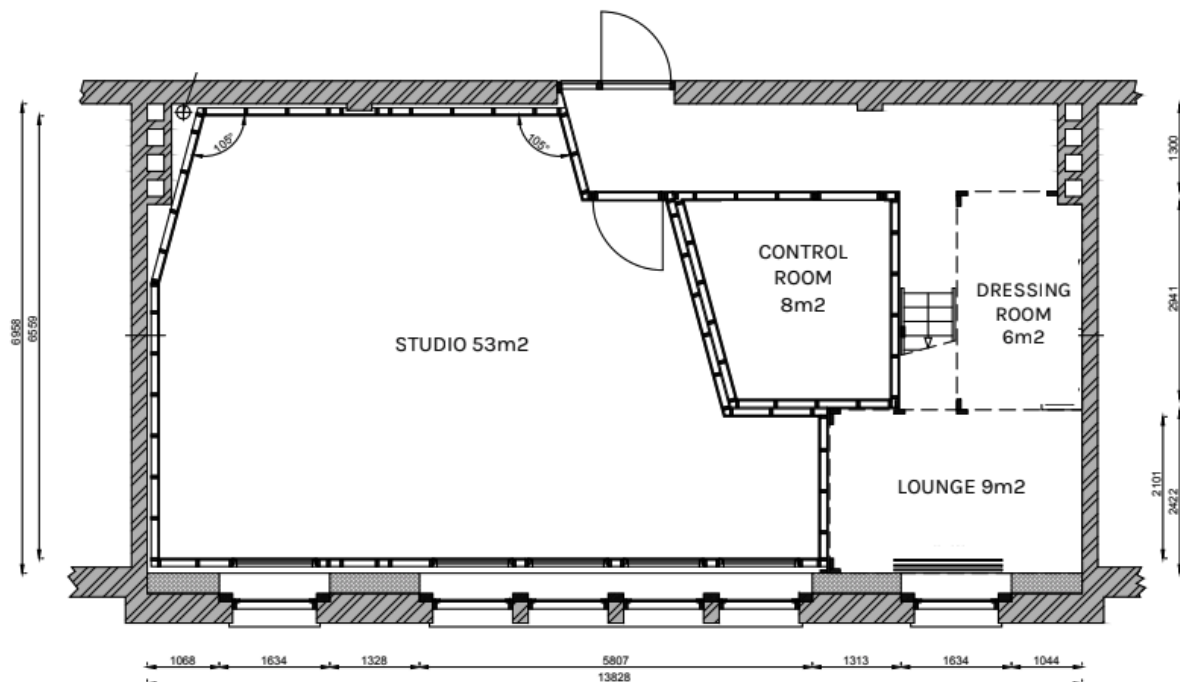

During productions we can provide dinner (about 6 O'clock), lunch (about 1 O'clock) and snacks. We only serve vegetarian food. Any wishes and allergies can be taken into account. This service is included with curated GÂRDEN livestreams and optional when using our Studio Services.
